OK. Gautam and Elliott, you have my draft briefing paper. Let me know if you think maybe it should be possibly rewritten in any particular way. Matt, I've attached it as an FYI.

Once you hear something more affirmative, I can forward to OAQPS and R6 for their very quick review.

I'm going to recant my prior email and say let's wait to hear from Justin on what exactly Sarah needs before spend more time on write ups. Again, sorry for the confusion/change. I should have done a better job at hot issues putting on the breaks.
